3. Location information - List the communities served by the project. Include all cities and counties or list as statewide. Check a box below if your community is disadvantaged or severely disadvantaged per PRC 4799.09.

☐ **Disadvantaged community** ☐ **Severely disadvantaged community** **NOTE: PROOF WILL BE REQUIRED LATER.**

You can find a tool for assessing disadvantaged community status per the CA Public Resources Code at the following web site: http://www.parkinfo.org/factfinder2011/grantee.html

☐ Check here if you have an active CAL FIRE Urban & Community Forestry grant or have had one in the past 5 years.

☐ **IMPORTANT:** Check here if your project is or will be completed prior to projected start time for new project (likely Spring 2013).

If your previous grant project was not able to be completed within the grant period, please briefly explain the circumstances that led to the incomplete project.

4. Grant Information - Describe the project by answering the questions below. Responses are limited to the space provided. You may wish to refer to the grant guidelines document, specific grant program Request For Proposals (RFP), and the California Urban Forestry Act (Public Resources Code Sections 4799.06 - 4799.12) for guidance on parts 4A - 4D.

A. Deliverables Information - Provide a brief listing or discussion of what the project deliverables will be, how many of each listed deliverable, and relevance of each to the project. Further discussion should occur in Section D.

B. Background and Rationale - What is the situation, condition, or problem to be addressed by the project?

C. Project Objective - What are the objectives of the proposed project? Explain how they are in line with the RFP for the grant type selected.

D. Project Description - How will the project achieve the objectives? Who will be involved? Discuss deliverables.

5. Task and Budget Information

A. Budget - Provide an estimate of costs and budget information for the project. A specific budget displaying detailed line items will be required if a final proposal is requested. Budget total may not be adjusted upward at a later time.

Project Work Task	Task Description	Amount Requested	Matched Funds	Task Total Cost
Task 1				
Task 2				
Task 3				
Task 4				
Task 5				
Additional Tasks				
Admin / Overhead				
TOTALS				
Percentages				Total % 100

B. Explanation of Budget and Costs - In the space provided, describe the basis for the budget amounts listed above. Successful applicants will be asked for a more detailed line item budget. The total amount requested in this application can not be exceeded during the final proposal process. Any decreased request amount for a final proposal must maintain the same matching percentage as the concept proposal submitted for review.

C. Other Funding Sources - List other funding sources, grants or applications that are considered matching funds for this proposal.

Description	Source	Requested Amount	Funded?

6. Other Project Work - List any similar activities or efforts conducted over the past 3 years. Include any contributions of the applying organization to these projects. Include partners and sponsors of the projects, if known. Projects listed should include an explanation of how they relate to the proposed project. *Projects listed should demonstrate organizational capacity for a project of the nature being applied for and organization's ability to begin work on the project immediately after a grant is awarded.*

7. Grant Project Significance - Briefly discuss why this project should be considered as a top priority for the CAL FIRE Urban and Community Forestry Program given program priorities as defined in the Urban Forestry Act.
