# CAMP SMOKEY

At the California State Fair!

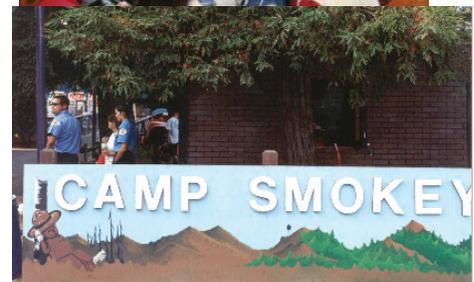

**A FAIR TRADITION:** Every year thousands of families visit the California State Fair, and every year Camp Smokey, an interagency fire prevention exhibit, is a favorite among fairgoers. The display is so popular because it is both educational and enjoyable for the whole family.

Run by an interagency partnership that includes CAL FIRE, and its federal, local and private cooperators, the display teaches children about fire prevention awareness and safety.

## AT CAMP SMOKEY THIS YEAR:

- ◆ Campfire safety.
- ◆ How to identify household fire hazards.
- ◆ How to convey emergency information to a 911 operator.
- ◆ Smokey Bear and his firesafe pal Woodsy Owl.
- ◆ Fire survival strategies: "crawl low in smoke."
- ◆ Fire engine display.
- ◆ Smokey & Woodsy Owl puppet shows.
- ◆ BE PREPARED (For All Emergencies).
