

# California Statewide Fire Summary

## Monday, July 27, 2015

Fire activity has remained high over the past week in California with CAL FIRE crews responding to over 270 new wildfires. This morning 5,000 firefighters are currently battling 9 large and major wildfires. This week temperatures are expected to increase and relative humidity will decrease, which will heighten the fire danger even further.

CAL FIRE is asking the public to remember that One Less Spark, means One Less Wildfire. For more visit [www.ReadyForWildfire.org](http://www.ReadyForWildfire.org).
