

## **Announcement – Senior Forestry Equipment Manager**

Please join me in congratulating Jeff Cranfill on his promotion to Senior Forestry Equipment Manager at the Davis Mobile Equipment Facility.

Jeff is a graduate of the Universal Technical Institute in Diesel mechanics, and started his career with the State in 1984 with Cal Trans as a Heavy Equipment Mechanic in San Leandro. Jeff worked at several other locations with Cal Trans and then in 2001, he took the position of Heavy Equipment Mechanic at Pine Grove Camp in the Amador-El Dorado Unit. In 2003, Jeff took the Fleet Manager 1 job in Tuolumne-Calaveras, and then in 2009, promoted to Forestry Equipment Manager 2 at the Davis Mobile Equipment Facility, responsible for Fleet Acquisitions and Inventory.

Jeff has been the Acting Senior Fleet Manager since January 2013, and is currently serving on the National Fire Protection Administration and National Wildfire Coordinating Group committees regarding wildland fire apparatus.

With over 2600 pieces of mobile equipment, CAL FIRE has one of the largest fleets in the State. Please congratulate Jeff as he takes on this new assignment.

KEN PIMLOTT  
Director
