## **What is a Precautionary Evacuation Notice:**

Areas under a “Precautionary Evacuation Advisory” are in the fire’s influence zone. While not immediately in danger, changes in weather and/or fire conditions could rapidly cause a threatening situation to occur. Residents should be prepared to evacuate at a moment’s notice. Those needing extra time to evacuate should leave.

## **If evacuating, residents are asked to:**

- Close heavy draperies or blinds
- Take smalls pets with you, take large animals to Elk’s Rodeo Grounds
- Remain calm and follow the instructions of all emergency personnel
- Drive carefully, turn on vehicle head lights
- Leave a light on in your home so firefighters can locate your home in the dark

## **What is an Immediate Threat Evacuation Notice:**

An “Immediate Threat Evacuation” would be issued when the fire is moving toward an area and there is an immediate threat to life and property. Whenever an area is under “Immediate Threat”, all roads in the area will be closed to incoming traffic.
