RELEASE 0730 hrs  
DATE: July 21, 2009

### UPDATE RE: FIRE AT NACIMIENTO LAKE

The Lake Fire is now 95% contained. Fire crews made good progress last night and will continue to extinguish isolated hot spots today and continue with mop-up operations. 100% containment is expected sometime today.

The fire was originally estimated to have burned 175 acres. GIS mapping was completed yesterday afternoon and the total acreage has been now been confirmed at 123 acres.

Residents and motorists still need to drive slowly and watch out for firefighters and equipment working in the affected area today.
