PARADISE FIRE UPDATE

The Paradise Fire north of Shelter Cove is estimated to be 925 acres and 50% contained. Significant progress toward containment of this fire has been made in spite of very challenging fire fighting conditions. The terrain is very steep and hazardous for firefighters. Helicopters and ground based resources will continue suppression efforts.

Higher humidity due to fog during the night and early this morning aided firefighting efforts.

The following firefighting resources are committed to the Paradise Fire:

- 508 Total personnel
- 1 Airtanker
- 24 Engines
- 12 Handcrews
- 23 Dozers
- 23 Water tenders
- 4 Helicopters
- 1 Road grader
- 4 Fallers

Additional resources will continue to be shifted to this fire as other fires are controlled in the Humboldt-Del Norte Unit.
