Current Situation: The active portions of the Telegraph Fire continue to be on the north and east flanks of the fire near Jenkins Hill in the Merced River Drainage. This area continues to be a high priority for the deployment of firefighting resources. Firefighters have made excellent progress in diminishing the threat of fire to structures in the Midpines and Mariposa areas. Some 200 residences were allowed to return to their homes yesterday.

Current Threats: Communities of Mariposa, Midpines, and Greeley Hill. Other threats include the Mariposa Utility District water supply, 70 KV transmission line supporting Yosemite Valley and John C. Freemont Hospital.

Control Difficulties: Steep terrain, access, dry vegetation, high temperatures, and low humidity.

Current Road Closures: Highway 140 east of Mariposa is subject to various restrictions based on fire activity. Travel of Highway 140 may be subject to CHP vehicle escorts. There are various other restrictions to roads in and around the fire area. Visitors to Yosemite National Park may want to use alternate routes.

Evacuations: There are various evacuation orders and evacuation advisory/warnings in effect for areas north of Mariposa, Midpines and Greeley Hill. **Evacuation Center:** Mariposa Elementary School – 5044 Jones Street, Mariposa and Greeley Hill Community Center, 10322 Fiske Road, Greeley Hill. **Animal Evacuations:** Contact the animal evacuation hotline at 209-966-3615.

Community Meetings: Tonight at 7:00pm at the following locations: Mariposa High School, Midpines Community Center and Coulterville-Greeley Elementary School.

Cooperating Agencies: CHP, Merced County Sheriff, Mariposa SPCA.
