

TELEGRAPH FIRE

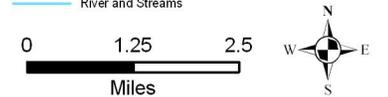

CA-MMU-009779
 as of 07/27/08 - 2359 Hrs
 26,130 Acres 10% Contained
 Started July 25, 2008 1510 Hrs
 Mariposa County

Fire Threats and Damages:
 12 Residences Destroyed
 27 Outbuildings Other Destroyed
 2,000 Residences Threatened

12 Hrs: The northeast end of the community of Mariposa (Avoca Vale, French Camp, Whitlock, Colorado, Grosjean, and Penny Royal Roads) is being impacted by the fire at this time. The communities of Midpines, Greeley Hill, Coulterville, Bear Valley, and Mt. Bullion Conservation Camp are under an evacuation advisory. Areas evacuated at 3:00 pm include Texas Hill road and Downtown road from Texas Hill to Schilling Road. 25 homes were evacuated in this area.
 24 Hrs: Damaged 70kv transmission lines have left Yosemite Valley and other areas without power. The sole source watershed for 2,000 Mariposa residents is being compromised. A majority of the BLM Wilderness Study area has burned and the fire threatens the remainder.
