Media Information – Phone (209) 742-7964

**For Immediate Release:
July 30, 2008**

Mariposa, CA- Incident Commanders for the Telegraph Fire have announced that as of 5:00 pm today, the following areas will open for residents to re-enter. The areas openings include:

- Re-entry into the evacuated areas that are unaffected by the Telegraph Fire Northwest of Hwy 49 North.
- Areas to include Mount Bullion Access Road from Highway 49 North to the CDC Camp.
- Mykleoaks from Highway 49 North to and including Bear Trap Road.
- Fournier Road and French Camp Road.
- Re-Entry into the evacuated areas that are unaffected by the Telegraph Fire that are located West of Highway 140.
- Areas to include Grosjean, Avoca Vale, Serpentine and Lake View.
- East Whitlock closing at Colorado Road. Oak Road, Yosemite Oak, Crystal Aire including all spur roads.
- Colorado Road to Rancheria Creek Road.
- Rancheria Creek Road will remain closed at this time.

All of the above recommendations will be modified based on fire behavior and movement.

Residents will be required to show identification of residency in order to re-enter which can include a valid driver's license or utility bill. Residents are cautioned to drive slowly as fire vehicles are still working in the area.
