

## Public Workshop – Draft Forest Carbon Plan

### Forest Climate Action Team

February 16, 1:00-4:00 PM

Coastal Hearing Room, California Environmental Protection Agency Building

1001 I Street, Sacramento

(Please allow time for checking in at the building security desk.)

Webcast available 15 minutes prior to the workshop at: <https://video.calepa.ca.gov/>

Email address for comments and questions from webcast participants **during workshop**: [coastalrm@calepa.ca.gov](mailto:coastalrm@calepa.ca.gov)

### Agenda

#### Meeting Goals:

- Provide the public an opportunity to comment on the Forest Carbon Plan, sharing general perspectives and specific comments and questions with agency representatives and fellow participants.
- Encourage participants to submit detailed written comments.
- Provide overview of the Plan and next steps for completion.

#### 1:00 pm Welcome and Agenda Review

Sarah Di Vittorio, Facilitator, Center for Collaborative Policy

Ashley Conrad-Saydah, Deputy Secretary, California Environmental Protection Agency

#### 1:15 pm Presentation: Overview of the Plan and Next Steps

Claire Jahns, Assistant Secretary for Natural Resource Climate Issues, California Natural Resources Agency

#### 1:30 pm Questions for Clarification

Panelists from Forest Climate Action Team Member Agencies

- *Please offer questions for clarification. Please save comments and questions regarding methods, conclusions, and next steps for the next session.*

#### 2:00 pm Public Comments and Questions on:

- Plan's assessment of forest conditions and expected impacts of climate change.
- Plan's description of targeted conditions for and attributes of resilient forest.
- Plan Goals for management, restoration, and protection.
- Forest carbon inventory and accounting – data and methods.
- Implementation - next steps and needs.
- Other.

#### 3:50 pm Wrap Up

Russ Henly, Assistant Secretary of Forest Resources Management, California Natural Resources Agency

#### 4:00 Adjourn

The Forest Carbon Action Team welcomes your detailed written comments. Please email comments to [fcat.calfire@fire.ca.gov](mailto:fcat.calfire@fire.ca.gov). Comments are due by March 17, 2017.
