**Subject:** Draft California Forest Carbon Plan  
**Date:** Saturday, April 01, 2017 10:48:38 AM

---

Gentlepersons:

Please accept this general comment though it is submitted after the formal end of the comment period.

Endangered Habitats League requests the CalFire submit the draft plan for credible *scientific peer review*. We are concerned over CalFire's documented track record of poor science, e.g., the Vegetation Treatment Program, which required extensive revision following peer review.

Thank you for considering this comment.

Sincerely,  
Dan Silver

Dan Silver, Executive Director
