Note: Figures were derived from 100% tree tally for Selection Units A-E & J and trees marked outside/adjacent group boundaries for Units F-I & K.

A timber cruise of 2 plots per group opening was used to estimate harvest volumes.

† Figures do not include estimate for cable corridors. Includes marked WLPZ trees.

* Figures do not include 15Mbf of grand fir/hemlock included in advertised timber sale volume estimates.

Road Right-Of-Way* (not included in summary)
