Fax (707) 964-0941**Public Notice****Seasonal Road Closure****October 14, 2013**

Effective on Thursday October 14, 2013, all State Forest roads within Jackson Demonstration State Forest will be closed to unauthorized public vehicular traffic in accordance with Sections 1431 and 1438, Title 14, California Code of Regulations, except as noted below. The road closure prohibits the use of all unauthorized motorized vehicles, including motorcycles and ATVs. Roads may still be used for hiking, bicycling, and horseback riding. It is always unlawful to operate unlicensed vehicles (including off-road vehicles with or without green stickers) on State Forest roads. Off-road travel with motorized vehicles is not permitted on the State Forest.

This is a seasonal closure that protects forest roads from damage during wet weather. Please do not drive on roads that are wet and have soft surfaces, even if they are not formally closed. Road and stream damage can occur from rutting and erosion. It is not safe to drive on roads with slippery surfaces. Please help us protect your forest resources.

EXCEPTIONS - ROADS THAT WILL STAY OPEN:

The following roads will generally remain open throughout the winter, but may be closed periodically without further notice depending on road and weather conditions:

- Road 100 (closed at the property line at the north end)
- Road 130 (closed at Road 1000 at the north end)
- Road 200
- Road 250 (closed at Road 1000 at the north end)
- Road 350 (only as far as the Egg Collection Station/Camp One Day Use Area)
- Road 500
- Road 700 to Mendocino Woodlands State Park
- Roads 800 (to the property line)
- Road 810
- Road 900 only to Road 810

Roads are expected to re-open in the spring of 2014. For a map of JDSF roads, contact our office at (707) 964-5674 or visit us at 802 N. Main St., Fort Bragg or http://www.fire.ca.gov/resource_mgt/resource_mgt_stateforests_jackson.php.
