Group Objectives

1. Provide for coordinated communications and public information program for the public, elected officials and involved entities.
2. Utilize social media (website, twitter, facebook, etc.) for information dispersal.
3. Distribute and post Guidelines, Frequently Asked Questions, etc.
4. Use existing public education materials and develop new public education materials based on needs of the incident.
5. Assist local groups with messaging and communications to ensure a consistent message at the local level.
6. Act as clearinghouse for information.
7. Provide regular updates at Task Force meetings to ensure effective communication and geographic coordination among all task force groups and stakeholders.
8. Coordinate communication and tours with legislative staff at the local, state and federal levels.

Special Instructions

- Work with other federal, state, local, tribal, private and non-governmental entities as needed.
