

POTENTIAL GRANTS FOR TREE MORTALITY EFFORTS

ORGANIZATION	GRANT	PURPOSE	ELIGIBILITY	DEADLINE	MAX AMOUNT	WEBLINK
Disaster/Threat Response/Mitigation						
AmeriCorps	State & National Competitive Grants	Improving community resiliency through disaster preparation, response, recovery, and mitigation; increasing economic opportunities for communities by engaging opportunity youth; environment - 21st Century Service Corps	Institutions of higher education; local, state, & tribal governments; nonprofit organizations	1/17/2018	Varies	https://www.nationalservice.gov/build-your-capacity/grants/funding-opportunities/2018/ameri-corps-state-and-national-grants-fy-2018
Bureau of Land Management	National Fire Plan - Rural Fire Assistance	To implement the National Fire Plan by increasing firefighter safety and enhancing the knowledge and fire protection capability of rural fire departments by providing assistance in education and training, protective clothing and equipment purchase, and support to public education efforts on a cost share basis.	Rural fire departments serving a community with a population of 10,000 or less in the wildland/urban interface	Unknown	\$125,000	http://www.federalgrantswire.com/national-fire-plan--rural-fire-assistance.html#.WUv5pmjyu70
Cal OES	Tree Mortality Event CDAA-2015-05	Available for costs related to the identification, removal and disposal of dead and dying trees constituting a threat of falling on public right-of-way and public infrastructure caused from drought conditions.	Only those jurisdictions (counties, cities, and special districts) with the authority to identify, remove, store, and dispose of dead and dying trees.	Not specified	No maximum amount.	http://www.caloes.ca.gov/cal-oes-divisions/recovery
Federal Emergency Management Agency	Assistance to Firefighters Grant Program, Fire Prevention and Safety Grants	"Fire Prevention and Safety Activity" and "Firefighter Safety Research and Development Activity"	Firefighters and other first responders	2017 appears delayed by hurricanes	\$1,500,000	https://www.fema.gov/welcome-assistance-firefighters-grant-program
Federal Emergency Management Agency	Pre-Disaster Mitigation Funding	Projects to protect life and structures from wildfires. Must be located in a Wildland-Urban Interface within two miles of homes and structures.	States, tribes, and local governments	11/14/2017	\$575,000	https://www.fema.gov/pre-disaster-mitigation-grant-program
FM Global	Fire Prevention Grant Program	To support a wide array of fire prevention, preparedness, and control efforts including: pre-fire planning, fire prevention, education/training.	Any organization or agency around the world that supports fire prevention	March 31 July 31 November 30	No maximum amount.	https://fs20.formsite.com/fmglobal/form14/index.html
Lawrence Foundation		Environmental issues and disaster relief.	US-based qualified charitable organizations	April 30 November 1	Not specified	http://www.thelawrencefoundation.org/grants/grant-guidelines/
USDA/Rural Development	Single Family Housing Repair Loans & Grants "Section 504 Home Repair"	To remove health and safety hazards.	Family income below 50 percent of the area median income; be age 62 or older and not be able to repay a repair loan	Continuous	\$20,000	https://www.rd.usda.gov/programs-services/single-family-housing-repair-loans-grants

POTENTIAL GRANTS FOR TREE MORTALITY EFFORTS

ORGANIZATION	GRANT	PURPOSE	ELIGIBILITY	DEADLINE	MAX AMOUNT	WEBLINK
Fuels Reduction						
Bureau of Land Management	Wildland Urban Interface Community Fire Assistance	Provide community programs that develop local capability including; assessment and planning, mitigation activities, and community and homeowner education and action; plan and implement hazardous fuels reduction activities.	States and local governments "at risk" as published in the Federal Register, Tribes, education institutions, nonprofits, and rural fire departments serving a community with a population of 10,000 or less in the WUI.	Unknown	Unknown	http://www.federalgrantswire.com/wildland-urban-interface-community-and-rural-fire-assistance.html#.WUv4bmjyu70
CAL FIRE	Greenhouse Gas Reduction Fund	Projects to: reduce wildfire vegetation hazards, increase carbon sequestration in conifer forests, reforest degraded lands, establish and improve urban/community forests, conserve forestland by avoiding conversion to other uses, develop programmatic timberland EIRs, utilize forest biomass.	Local, state and federal agencies; Native American tribes; private forest landowners; non-governmental organizations.	Closed for 2017/18	No maximum amount.	http://calfire.ca.gov/resource_mgt/GGRF
CAL FIRE	State Responsibility Area (SRA) Fire Prevention Fund and Tree Mortality Grant Program	Hazardous fuel reduction, fire prevention planning, fire prevention education, and removal of dead, dying, or diseased trees.	Local entities with SRA within their jurisdiction, or certified local conservation corps, Fire Safe Councils, or other nonprofit organizations	Guidelines pending for 2018	Unknown	http://calfire.ca.gov/fire_prevention/fire_prevention_fund_grants
California Fire Safe Council	Fire Assistance Grants	Projects in the Wildland-Urban Interface protecting communities at risk. Hazardous fuels reduction and maintenance projects on non-federal land, Community Wildfire Protection Plans and other planning or assessment, and prevention and mitigation education and outreach opportunities for landowners and residents.	Fire Safe Councils, resource conservation districts, fire protection agencies, homeowners associations, etc.	Solicitation open April 2018	\$200,000	http://www.cafiresafecouncil.org/2017-grant-program/
U.S. Forest Service	Collaborative Forest Restoration	Improve the functioning of forest ecosystems and enhance plant and wildlife biodiversity by reducing the unnaturally high number and density of small diameter trees on Federal, Tribal, State, County, and Municipal forest lands.	State, public institutions of higher education, business/commerce, nonprofits	Funding eliminated in 2018 Presidential budget	\$360,000	https://www.fs.fed.us/restoration/CFLRP/index.shtml
Western Foresters	Western Wildland Urban Interface Grant Program	Funds to mitigate risk from wildland fire within the Wildland Urban Interface (WUI) are available and awarded through a competitive process with emphasis on hazard fuel reduction in the WUI, information and education, assessment and planning, and monitoring through community and landowner action.	State agencies	Sept. 15, 2017	\$300,000	https://www.westernforesters.org/wui-grants

POTENTIAL GRANTS FOR TREE MORTALITY EFFORTS

ORGANIZATION	GRANT	PURPOSE	ELIGIBILITY	DEADLINE	MAX AMOUNT	WEBLINK
Landowner Assistance						
Amador RCD	Landowner Tree Mortality Assistance Program	(Amador) This project provides reimbursement to landowners to treat hazard trees.	Landowners of properties located within timberland east of Highway 49 in Amador County.	Not specified	\$3,000	http://amadorrcd.org/?p=2423
CAL FIRE	California Forest Improvement Program	A forestry incentive program that provides funds to forest landowners for management plans, RPF supervision, site preparation, tree planting, thinning, pruning, follow-up, release, land and habitat conservation.	Private and public land owners containing 20 to 5,000 acres of forest land.	Continuous	Up to 75% to 90% cost of project	http://calfire.ca.gov/resource_mgt/resource_mgt_forestryassistance_cfiip
U.S. Fish & Wildlife Service	Partners for Fish and Wildlife Endangered Species Program	Provide technical and financial assistance to landowners who are interested in providing suitable habitat for fish and wildlife on their property.	Private landowners, Tribes, and other entities	Not specified	Unknown	https://www.fws.gov/cno/conservation/Partners.html
USDA/Farm Service Agency	Biomass Crop Assistance Program	Provides financial assistance to owners and operators of agricultural and non-industrial private forest land who wish to establish, produce, and deliver biomass feedstocks.	Producers of woody forest residues removed directly from that land that are byproducts of preventative treatments that reduce the threat of forest fires, disease or insect infestation.	No information for 2017/2018	Not specified	https://www.fsa.usda.gov/programs-and-services/energy-programs/BCAP/index
USDA/Farm Service Agency	Emergency Forest Restoration Program	Helps the owners of non-industrial private forests restore forest health damaged by natural disasters.	Was only offered in Mariposa County, now closed. A county would have to request program from FSA County Committees.	Closed	\$500,000	https://www.fsa.usda.gov/programs-and-services/disaster-assistance-program/emergency-forest-restoration/#P45_1675
USDA/Natural Resources Conservation Service	California Conservation Innovation Grants	Stimulate the development and adoption of innovative conservation approaches and technologies, while leveraging the Federal investment in environmental enhancement and protection in conjunction with agricultural production.	Applicant must have a vested interest in production agricultural or non-industrial private forest land and meet other program eligibility requirements	Continuous	\$75,000	https://www.nrcs.usda.gov/wps/portal/nrcs/detail/ca/programs/financial/cig/?cid=nrcs144p2_063937
USDA/Natural Resources Conservation Service	Catastrophic Fire Recovery EQIP Fund Pool	Provides resource protection in areas burned by catastrophic fires. Priorities include: soil erosion protection, minimize noxious and invasive plant proliferation, protect water quality, and restore livestock infrastructure necessary for grazing management on Forestland and Rangeland.	Applicant must have a vested interest in production agricultural or non-industrial private forest land and meet other program eligibility requirements	Continuous	Not specified	https://www.nrcs.usda.gov/wps/portal/nrcs/detail/ca/programs/financial/eqip/?cid=stelpbdb1247015
USDA/Natural Resources Conservation Service	Forest Tree Mortality EQIP Fund Pool	Provide immediate resource protection in drought-affected conifer forestlands where elevated levels of forest insect tree mortality has occurred or where forest insects are an imminent threat to forestlands.	Non-industrial private forestlands (NIPF) in HHZ counties where conifer tree mortality is greater than 20 percent of the conifer trees on the applicant's property	Continuous	Not specified	https://www.nrcs.usda.gov/wps/portal/nrcs/detail/ca/programs/financial/eqip/?cid=nrcseprdb440606
USDA/Natural Resources Conservation Service	Healthy Forests Reserve Program	Assist landowners in restoring, enhancing & maintaining forest ecosystems on private lands through easements, contracts & restoration agreements.	Private landowners	Continuous	Not specified	https://www.nrcs.usda.gov/wps/portal/nrcs/main/ca/programs/easements/forests/
USDA/Natural Resources Conservation Service	Sierra Nevada Forestland EQIP Fund Pool	Promote healthy and productive forestlands, reduce soil erosion, enhance fish and wildlife habitat, minimize the impacts to water quality and reduce wildfire risks on non-industrial private forestlands in the Sierra Nevada	Must have a vested interest in non-industrial private forest land in Alpine, Amador, Calaveras, El Dorado, Fresno, Kern, Madera, Mariposa, Merced, Nevada, Placer, western Sierra, Tuolumne and Tulare	Continuous	Not specified	https://www.nrcs.usda.gov/wps/portal/nrcs/detail/ca/programs/financial/eqip/?cid=stelpbdb1247028

POTENTIAL GRANTS FOR TREE MORTALITY EFFORTS

ORGANIZATION	GRANT	PURPOSE	ELIGIBILITY	DEADLINE	MAX AMOUNT	WEBLINK
Natural Resource Conservation						
Bella Vista Foundation	Ecosystem Restoration	Protecting, restoring, and revitalizing watershed ecosystems in CA: the Mattole River, the mid-Klamath/ Scott/Shasta rivers, the Truckee River, Yuba/Bear/American rivers, and the North Fork Feather River.	Nonprofit organizations	Solicitation open 1/1-1/31/2018	\$150,000	http://www.bellavistafoundation.org/
Bureau of Land Management	Youth Opportunities to Work on Conservation Projects on California Public Lands	Open to any qualified Youth Conservation Corps interested in working cooperatively with the BLM to develop & administer projects focused on providing employment, educational, and public-service opportunities.	Any qualified Youth Conservation Corps established by a state, local, tribal government; or a nonprofit interested in working cooperatively with the BLM	5/30/2017	\$950,000	https://www.grants.gov/web/grants/view-opportunity.html?oppld=292833
CA Sierra Nevada Conservancy	Sierra Nevada Watershed Improvement Program -- Prop. 1	Forest health site improvement projects, as well as fee title acquisition projects that support forest products manufacturing and/or biomass utilization facilities that increase capacity to improve forest and watershed health.	Public agencies, nonprofits, tribal entities	9/1/2017	\$500,000	http://www.sierranevada.ca.gov/other-assistance/applying-for-a-grant
CA State Water Resources Control Board	Non-Point Source Grant Program - Timber Regulation and Forest Restoration Funds	Implements forest management measures to improve water quality on forest lands within the State Responsibility Area.	Public agencies, nonprofits, tribal entities	Solicitation published Nov/Dec 2018	\$800,000	http://www.waterboards.ca.gov/water_issues/programs/nps/grant_program.shtml
CA Tahoe Conservancy	Proposition 1 Grants Program	Planning, acquisition, implementation and monitoring grants for multi-benefit Ecosystem and Watershed Management, Forest Health, Storm water Quality, and/or Sustainable Communities projects in Tahoe Basin.	Public agencies, nonprofits, tribal entities	Solicitation published March 2018	No maximum amount.	http://abcrcs.resources.ca.gov/guidelines/guideline_579.PDF
CA Wildlife Conservation Board	Forest Conservation Program -- Prop. 84	Promote the ecological integrity and economic stability of California's forests through: forest conservation, restoration of productive managed forest lands.	A willing landowner, a local governmental entity, special district, resource conservation district, joint powers authority, nonprofit organization (501(c)(3), or state agency	Continuous (Still an active program?)	Unknown	https://www.wcb.ca.gov/Programs/Forest
Environmental Protection Agency (EPA)	Healthy Watersheds Consortium Grants	Healthy Watershed is one in which natural land cover supports dynamic hydrologic and geomorphic processes within their natural range of variation; habitat of sufficient size and connectivity to support native aquatic and riparian species; and water quality that supports healthy biological communities.	Non-profits, for-profits, tribes, states/interstates, local government agencies, institutes of higher education. Public/private partnerships are desirable.	2/1/2018	\$300,000	https://www.epa.gov/hwp/healthy-watersheds-consortium-grants-hwccg
National Fish and Wildlife Foundation	Acres for America	Ensure the future of local economies that depend on forestry, ranching and recreation.	Non-profits; state, local agencies; Indian tribes; and educational institutions.	Pre-proposals April 2018	Not specified	http://www.nfwf.org/acresforamerica/Pages/home.aspx
National Forest Foundation	Matching Awards Program (MAP)	Provides funding for results-oriented on-the-ground projects that enhance forest health and outdoor experiences on National Forests and Grasslands.	Nonprofits, universities, and Native American tribes	January 17 and June 26	\$40,000	https://www.nationalforests.org/grant-programs/map
Patagonia	Environmental Grants	Help local groups working to protect local habitats and frontline communities through bold, original actions. Grassroots efforts to restore forests and mitigate climate change	501(C)(3)	Not specified	\$20,000	http://www.patagonia.com/grant-guidelines.html
Rose Foundation	Northern California Environmental Grassroots Fund	Support small-scale organizations in conducting environmental improvements, including sustainable agriculture, climate change, environmental degradation of rivers and wild places, and the environmental health of communities.	Non-profits that have \$100,000 or less in annual expenses	Continuous	\$5,000	https://rosefdn.org/grassrootsfund/about
