(see next page)

Group Objectives

1. Field verify the accuracy of remote sensing data and statewide mapping efforts.
2. Map tree mortality not accurately depicted.
3. Monitor the expansion of tree mortality.
4. Work cooperatively with landowners and agencies to receive mortality information from outside sources.
5. Provide regular updates to Placer County TMTF.

Special Instructions

- Work assignments are consistent with Directives 2 and 19 of the State of Emergency Proclamation.
- Work with other federal, state, local, tribal, private and non-governmental entities as needed.
