Rebecca Ferkovich (CAL FIRE)	Kayanna Warren (USFS)
Emily Meriam (CAL FIRE)	Adam Ellis (USFS)
Kevin Conway (CAL FIRE)	Jose Crummet (El Dorado County)

Approval of Last Meeting Minutes: Approved

Additional Agenda Items: Kevin Conway to discuss request from Caltrans

Outcomes / Action Items:

- This year's ADS numbers are undergoing final approvals for press release, expected Monday.
- ADS Dataset release date uncertain, possibly within next several weeks.
- Adam to schedule a sit-down with CAL FIRE staff to discuss the new ADS dataset prior to use.
- USFS & Tuolumne County latest submittals have been incorporated into the dataset, with CAL FIRE projects expected shortly.
- New tree removal grant process with require awardees to track projects in the Mortality Project Mapper.
- The HHZ Tier 1 local designation process is moving forward with documentation in development, and an unknown release date. Will likely wait until after release of new HHZ layer.
- The Tree Mortality Viewer guide for biomass users is still in the greensheet process, no further updates.
- Emily has updated the temporary wood storage location products based on new site closures and openings. Received approval from PG&E to include their sites (with site name only) in the viewer. Viewer update expected in the near future.
- Caltrans has requested a report on the number of dead trees within close proximity to highways. Kelly will provide this information after the new HHZ dataset has been created.

Meeting adjourned: 1:20pm
