Approval of Agenda:

- All concur

Approval of Last Meeting Minutes

- All concur

Outcomes / Action Items:

- HHZ Tier 1 update has been released. Updated on Tree Mortality Viewer. Data and maps available for download from the TMTF website.
- HHZ Tier 2 update in development, anticipated release in middle of September.
- Latest USFS ADS is in post-processing QA/QC, then will vet with M&M group before release. Tulare County still needs to be flown.
- Subgroup to develop process for submitting, vetting, and incorporating local designations of HHZ. Will come back to M&M group with recommendation.
- Mortality projects from the August 1 pull have been published to the Tree Mortality Viewer.
- Next due date for getting projects in is Oct 1
- Mortality Project Mapper Training application now available. Information to access the training comes when you get a username and password.
- Emily gearing up for Mortality Project outreach and training. Region reps continue to be available to field questions and requests.
- Facts & Figures document is in draft and currently under review. No specific ETA at this time.

Meeting adjourned: ~1:00pm (dismissed early)

Next Meeting: Wed. Oct 5, 2016
