

VISION

To be a leader in providing fire prevention and protection, emergency response, and natural resource protection services.

VALUES

Service

- We are committed to the safety and well-being of the public and our employees.
- We strive for excellence and professionalism.
- We maintain a can-do attitude and humility in the execution of our duties.

Cooperation

- We care about each other and our service to others, including cooperators, governing bodies, and the public.
- We build and maintain cooperative relationships across the State to benefit the public we serve.
- We allow every member of the Department a voice within a chain-of-command structure.

Protection

- We integrate resource management, fire protection, and fire prevention missions on behalf of the State and local communities.
- We strive to ensure a high level of environmental protection in all our programs and operations.

Organizational Excellence

- We value the diversity among our employees and the vital functions they perform to enhance our mission.
- We exhibit calm resilience and performance in the face of emergencies and disasters of any scale.
- We recognize the importance of clear and consistent communication.
- We embrace and support innovation.

MISSION STATEMENT
